

## Homework Hotspot

Our Homework Hotspot is an after-school program that is designed for middle school and high school students to receive FREE group tutoring and homework help, as well private tutoring sessions at a low-cost for students that need tutoring in a one-on-one format. We at the Homework Hotspot also consider character development to be an equally important area of growth. The Homework Hotspot has a mentoring component where we match students with mentors who they meet with on a weekly basis. The Homework Hotspot also has an enrichment component where we offer other activities to students to develop them in different areas such as drama, photography, graphic design, and more. Our goal is to encourage a balance of academics and recreational fun to deliver a well-balanced after-school program that encourages wholesome development of each and every student here at the Homework Hotspot.

INSPIRING HOPE & GROWTH IN  
'AT RISK' YOUTH

## How we help

Here at The Thaddeus Foundation we believe that education can be one of the most important aspects of being successful. We also understand that a good education can sometimes seem impossible to “at-risk” youths. The Teens Center was created to inspire HOPE & growth in ‘at risk’ and foster youth in the following areas of their lives: emotionally, personally, professionally and spiritually by:

- Creating a safe and fun environment to hang out.
- Help with studying and homework with our Homework Hotspot program.
- Encourage and help teens make their dreams of getting an education a reality.
- Help teens heading into the workforce with job and interview skills.
- Mentoring and life coaching is also available for all of our teens.

*"There is surely a future HOPE for you,  
and your HOPE will not be cut off."*

*Proverbs 23:18*

## Class List

Along with being a place for teens to hang out and get help with homework, we also offer classes to give teens practical life and job skills to help them prosper. We offer a variety of classes to help our teens become educated, successful, and healthy individuals.

### Life Skills Classes:

## Who we are

The Thaddeus Foundation is a 501(c)3 non-profit organization that is dedicated to helping local ‘at-risk’ youths within our community. Our goal is to assist teens who are ‘at-risk’ for, or who have experienced, abuse, poverty, teen pregnancy, or gang affiliation to rise above their circumstances. We want all of our teens to become well educated, thriving.

## Teen Shelter (Opening 2018)

An estimated number of 7,062 youth were reported homeless in Los Angeles County during 2016. There may come a time where a teen is faced with having to leave their home. Our teen shelter serves teens in the San Gabriel Valley. Our teen shelter is for teens seeking shelter both short term for a day or a week, or a longer term of six months to upwards a year. The shelter will provide teens with:

- Room and board
- Life skills
- Counseling
- Job skills
- Case Management
- Work force training
